

THE ALL-NEW
DYNA

**POWER AND PAYLOAD,
NOW MORE DYNAMIC
THAN EVER**

A POWERFUL WORKHORSE

A solid exterior, built sturdy with impressive payload capabilities

LARGE, SPACIOUS DECK

Take more on the road

Enjoy increased payload capacity with a long, flat, wide deck that maximises space while giving you greater utility. The chassis frame is light, tough, and easy to handle, while it's also optimised for fast, secure loading and unloading in busy traffic, thanks to its easy-to-use latch, strong flexible gate chain, drop sides, and more!

NEW REAR SUSPENSION

Stronger and more stable

With a new tapered leaf spring type rear suspension designed for delivering heavy cargo, enjoy greater productivity, stability, comfort, and safety on every drive—even with a full load! The front suspension with double wishbone and stabilizer also enhances manoeuvrability and handling, making every turn smooth and controlled.

A STREAMLINED INTERIOR

An ergonomic cabin built with drivers in mind, helping to achieve maximum productivity & comfort.

NEW, CONVENIENT LAYOUT

Everything at your fingertips

Experience intuitive full control over the Dyna with the improved, ergonomic dashboard allowing for easy access to key buttons.

IMPROVED COMBINATION METER

Your drive, at a glance

Our new multi-information display allows drivers to track key data like distance travelled and Diesel Particulate Filter (DPF) status. Supporting this, the combination meter gives you a clear overview of your Dyna's engine speed, engine oil levels, and more—helping you to focus on driving, always!

A SPACIOUS CABIN

Stretch out in comfort

Relax in greater comfort inside a spacious, well-designed cockpit, with a wide variety of storage options and a convenient fold-over middle seat—perfect for staying organised and doing paperwork on the go. Say hello to your new mobile office!

THE POWER TO PERFORM

Discover exceptional power and reliability

A NEW 1GD-FTV ENGINE

Euro VI compliant and powerful

The new 1GD-FTV engine with a turbocharger and intercooler provides class-leading thermal efficiency and a higher torque at low engine speeds, which helps to achieve greater fuel economy, quietness, power, and cleaner emissions. With a maximum torque of 300Nm/1,200-3,200rpm and maximum power output of 106kW/3,400rpm, enjoy smoother acceleration and better performance from your new dynamic powerhouse.

Manual Transmission

Automatic Transmission

HIGHLY EFFICIENT TRANSMISSION

Efficient, reliable, and easier than ever

Enjoy a choice between manual and automatic transmission in the new Dyna—with manual transmission delivering greater cargo pulling power and automatic transmission helping to improve driving efficiency. For even more flexibility, the automatic transmission features a 'shift-mode' that allows the driver to quickly switch to manual mode and select the right gear when necessary—ultimately providing a smoother driving experience, with powerful take-off and seamless acceleration.

COMPREHENSIVE SAFETY

Peace of mind, included

ANTI-LOCK BRAKING SYSTEM (ABS)

Complete control, always

The Anti-Lock Braking System allows the driver to maintain steering control during emergency braking.

LOAD SENSING PROPORTIONATING VALVE (LSPV)

Intelligent adjustments for responsive braking

This system senses the load and adjusts brake force for safe, effective braking.

VEHICLE STABILITY CONTROL (VSC)

Greater stability on every turn

Twisting roads? No worries! Vehicle Stability Control enhances stability, even on the tightest turns.

TRACTION CONTROL (TRC)

No slips, just grip

The in-built Traction Control enhances stability on slippery roads and helps to avoid skidding.

SEAT BELT WITH PRETENSIONER

Strapped in, and secure

In the event of collision, our reinforced seat belt will help keep you safe and secure.

DUAL AIRBAGS

Protection you can count on

Dual airbags minimise impact and injury in emergency situations.

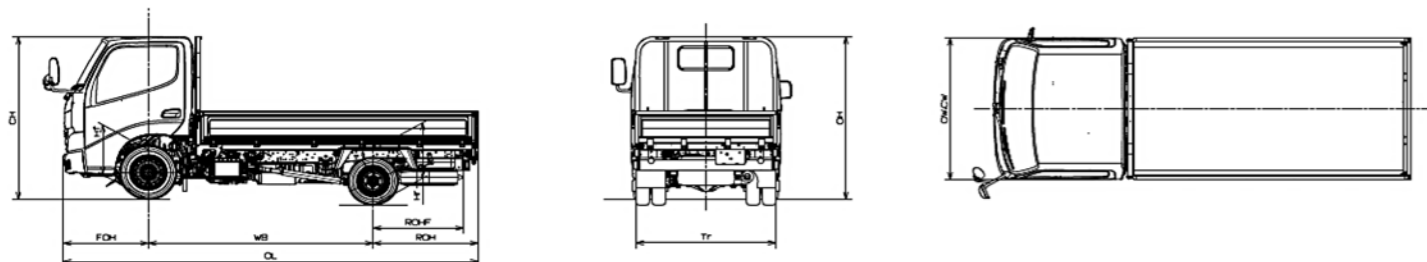

SPECIFICATIONS

MODEL		NEW DYNA MANUAL GDY231R-TLMGV	NEW DYNA AUTO GDY231R-TLTGV
DIMENSIONS AND WEIGHTS

THE ALL-NEW DYNA

FEATURES

EXTERIOR

A Powerful, Reliable Business Partner

- Halogen Headlamps
- Power Foldable Front Under-Mirror & Side Mirror
- Excellent Payload 1920kg
- Rigid Frame w/ Durable Steel Deck
- User-Friendly Deck w/ Latch, Gate Chain/Release, Hook & 3-Drop Sides
- Side Guards & Rear Underrun Bumper For Enhanced Safety

INTERIOR

Designed For Higher Efficiency & Comfort

- Smart Entry w/ Power Window & Central Lock
- Power Steering w/ Tilt & Telescopic Adjustment
- Car-like Driving w/ AT/MT Floor Transmission
- Easy-To Read Combination Meter & Multi-Information Display
- Ergonomically Designed Reclinable & Slideable Driver Seat
- Fold-Over Middle Seat w/ Space For Work & Meal
- Quiet Cabin w/ Large, Organised Space
- 2-Speaker Audio System w/ Antenna

SAFETY

Peace Of Mind For Driver & Passengers

- [ABS] Anti-Lock Braking System w/ Brake Assist
- [LSPV] Load Sensing Proportionating Valve
- [TRC] Traction Control
- [VSC] Vehicle Stability Control
- Reverse Sensors
- Cab Tilt Warning System
- [D+P] Dual Airbags
- [ELR] Emergency Locking Retractor 3-Point Seatbelts with Pretensioner
- Mobile In-Car Safety Camera
- Rigid Frame & Body Structure
