ABOUT HONG SEH GROUP

TIMELESS VALUES, MODERN VISION

Founded in 1936 as Chop Hong Seh, Hong Seh Motors has grown into a trusted icon in luxury cars and yachts. Gaining regional acclaim with the launch of the Ferrari distributorship in 1983, the company has continuously evolved to meet the needs of its clientele.

As Singapore's leading commercial vehicle dealership, Hong Seh Motors has been at the forefront of the transition to sustainable mobility solutions since 2020, blending innovation, sustainability, and luxury.

Celebrating 55 years of excellence in 2023, the company remains committed to driving a greener future while maintaining its legacy of unparalleled service and quality.
